

MEMORIAL MILE SPONSOR

For your donation of \$100 you can honor a veteran, soldier, business, or loved one of your choice by purchasing a display sign that will be placed along the tree lined entrance to the Veterans Home of California (The Memorial Mile) for everyone participating in the cycling event to see. Your donations help us support charities, including campership funding at the Enchanted Hills Camp for the Blind & Visually Impaired and The Pathway Home, a “privately funded” rehabilitation and transition center that is showing amazing results in saving the lives of our returning veterans and helping them transition to productive lives. We have helped over 300 veterans who are working hard to regain the lives they left behind in order to serve our country.

“You may register online to choose your sign and make your donation by going to www.rotaryride4vets.com” or “cycle4sight.com” or use the form below:

Select a Sign

_____ In Honor Of _____ In Memory Of _____ We Support Veterans

Name to Appear on
